

LEGACY CHRISTIAN ACADEMY

2022-2023 Health & Safety Protocols for Students & Families

If your student is experiencing 2 or more of the following COVID-like symptoms, report absence and follow the information below:

- Minor Cough
- Fatigue
- Headache
- Scratchy Throat
- Congestion or runny nose

If your student is experiencing 1 or more of the following COVID-like symptoms, report and follow the information below:

- Fever or chills
- Shortness of breath or difficulty breathing
- New loss of taste or smell
- Muscle or body aches
- Nausea or vomiting
- Diarrhea
- Major Cough
- Painful Sore throat

If your student is experiencing COVID-like symptoms or tests positive without symptoms:

- Report your student's absence by completing the absence report form and the embedded illness information.

Requirements to return to campus:

- Must stay home until at least 5 days have passed from the onset of symptoms or test date if asymptomatic and
- Fever free for 24 hours without the use of fever-reducing medication, and
- Symptoms have improved.

If your student's symptoms are consistent with their seasonal allergies:

- Provide a doctor's note with an alternative diagnosis to return to campus sooner than 5 days.

Frequently Asked Questions

If someone in my household tests positive for COVID or has COVID-like symptoms, will my student need to stay home from school?

No, your student will not need to stay home if they are asymptomatic. Please closely monitor how they are feeling and if symptoms occur, follow the steps listed above.

Does my student need to wear a mask when they return to school after staying home for 5 days?

No, your student does not need to wear a mask when they return to campus.

Is my student able to wear a mask to school if that is our family's preference?

Yes, we ask each family to make the best decision for their family. LCA will support you in that decision.

Can I just submit a negative home COVID test result for my student to return to campus sooner than 5 days?

No, a doctor's note with an alternative diagnosis is required to return to campus sooner than 5 days.
